The Taluk Board President represented that two buildings one at Closepet and another and Bidadi where Rest houses were located have been taken possession of by the Taluk Board as per Government Order No.1462-75/Muz.268-23-11 dated 17th April 1924, communicated to him through District Board President's No.1518/23-24 dated 23-6-1924 from 1st July 1924, the establishment attached to them having been disbanded since 1-7-1924. He represented that the 2nd class Travellers' Bungalow at Bidadi has been ordered to be converted into a 3rd class one and given to the management of the Taluk Board and that no orders have been received to entertain any establishment to look after the furniture and the building and that it is not possible to look after the buildings unless some arrangements are urgently made. Inspected the buildings in company with Taluk Board President and Vice President

(1)The walls of the Musafirkhana at Closepet have got- cracks here and there. The well contains water. A care-taker on Rs.5/- has been appointed to look after the building.

(2)The Chattram at Closepet which has been newly handed over is a very spacious building inside the town. It has at present been occupied by the Survey Party. The building is in a neglected condition as there is no one even to sweep the building and to keep it clean. It requires white washing immediately. The Taluk Board President suggested that for want of suitable accommodation the Taluk Board Office also might be held in this building. The suggestion may be considered by the Taluk Board.

3.The Chattram at Bidadi is also a spacious building situated in a nice place, but it is in a very shabby condition for want of care. The well inside the building has no water and requires deepening. The building can be kept in a very good condition if proper care is bestowed upon it. The building is an asset to the Taluk Board.

(4) The Travellers' Bungalow at Bidadi is just by the road side and very nicely situated. Furniture &c have also been supplied to it but no one to look after them. The buildings are quite in a habitable condition and a man is absolutely necessary to look after.

So in anticiaption of the Board's approval, the Taluk Board President is authorised to entertain establishments not exceeding Rs.15/- per month both and Bidadi (to look after the 3rd class Travellers' Bungalow and the Chattram) and at Closepet (to look after the Musafir-khana and Chattram) from the 13th instant temporarily till definite orders are passed after the District Board's resolution.
